American Numismatic Society

Gentlemen:-

Mr. H. A. Greene of  
this city, tells me that he  
spoke to your Society about  
our collection of coins,  
and that you spoke him  
that one of your officers  
was to pass thro' Prov.  
on his way to Boston and  
that he would stop and  
look at them - That was  
in September; but, not  
hearing anything more,  
I am writing to ask if the  
gentleman has given up

Coming here? We  
would not care to  
pay anyone to come  
on purpose from New  
York, but if he was  
to pass thro Providence  
would like to have  
him appraise our  
collection -

Will you kindly  
let me know at once  
what the prospect is?

Yours truly  
Amy E. Harris

Providence, R. I.

Dear Madam:-

We have your letter of November 9th in regard to one of our Staff stopping in Providence to see your collection of coins.

It has been my intention to go to Boston at the first opportunity for several months past. My mother lives in Boston, and I wish to make her a visit, but so far it has been impossible for me to get away.

It was my idea to stop in Providence on that trip for perhaps a day and take that opportunity to look at your collection.

I am not yet quite certain how soon I shall be able to make the trip but undoubtedly it will be within a few weeks now.

Yours very truly,

Assistant to Curator.
